NOCN Qualifications in Progression (QCF) provide flexible, unitized courses, at Entry level, and levels 1, 2 and 3. The qualifications are supported by and eligible for New Deal, Department of Employment and Learning funding.

OCN NI has enrolled close to 200,000 learners in its credit based learning system, an approach to learning and development being embraced with the implementation of the new Qualification and Credit Framework (QCF) throughout the UK.

Building on this success OCN NI has updated and extended its range of vocational qualifications which now sit within the QCF.

VRQ's for NEW DEAL are available in a range of vocational areas, including:

Construction

ICT

Music

Business

Customer Services

Management

Tourism

Hospitality
