

The UK's leading credit-based Awarding Body

NOCN is the leading credit-based Awarding body in the UK. There are 2,500 centres nationally offering NOCN qualifications, which collectively certificate over 800,000 successful learners every year.

OCN NI has the experience and expertise to offer support and advice on the use of all NOCN qualifications including training in the assessment of credit and internal quality assurance.

The **Enterprise** Qualification is part of the OCN NI Progression Qualification. By combining units learners can work towards national qualifications at Award, Certificate or Diploma. All Progression units are part of the new Qualification Curriculum Framework
