Purpose

The new Grants Programme was initiated by the OCN NI Board of Trustees and assists in the fulfilment of our charitable purpose, with the focus of the programme to assist and support OCN NI Centres and their learners undertaking and/or working towards an OCN NI qualification. **Particular emphasis has been given to help those who may be particularly disadvantaged and would not otherwise have had the opportunities to engage in education.** The objectives of the grants are to encourage innovation, enhance learning and progression while supporting learners.

As a charity, we are always keen to deliver our charitable purpose of ensuring the *advancement of education* for the public benefit and this new Grant Scheme does exactly that. The organisations receiving this grant will have ambitious educational and business development goals that include learners who have specific financial needs. These learners are looking to improve their career aspirations through our qualifications and the excellent teaching delivered by the applicants. **OCN NI would like to encourage centres to be innovative in their grant application, by thinking of ways to remove barriers to education for learners, so that they may benefit and access opportunities that may not have otherwise been available to them.**

We look forward to supporting those learners who most need it through this new OCN NI initiative.

Who can apply for funding?

You can apply if:

- You are an OCN NI Recognised Centre
- You currently have no overdue invoices on our account
- You have registered learners on OCN NI Qualifications within the last 12 months

You can apply for funding once every 12 months.

How much can you apply for?

OCN NI will offer grants of between £500 - £3,000 to specific projects or activities that advance the mission and vision of OCN NI in a way that provides robust evidence of how learning positively impacts on individuals, families, and communities.

All applications will be considered, with special consideration given to centres supporting OCN NI learners who have encountered significant barriers and hardship preventing them from realising their full potential through education, for example through economic or family circumstances.

PLEASE NOTE: We will not provide retrospective funding support for projects that have already taken place.

The process

The grant round occurs between May and August annually.

What we fund

Our objective is to enhance educational opportunities for individuals, families, and communities through participation on OCN NI Learning programmes. Through working in partnership with our recognised education and training providers, the centre learning grants will help tackle educational underachievement and remove barriers to learning.

Funding **MUST** be used to benefit learners undertaking and/or working towards an OCN NI qualification

The OCN NI grants panel has the final say on the amount of funding available for grants and who receives grants.

Types of costs that may be funded include:

The grant can be used to enable learning for individuals and groups, and may cover the costs of any supplementary activities and materials that will help change people's lives through education and training. In exceptional cases, we may award the costs for travel and childcare providers that are registered with the local Health and Social Care Trust.

If you are awarded a grant, it may be a partial amount and not the full requested amount.

The online application form

The grant application form will be made available online when each round opens annually. Applicants will be asked to create an account, which allows them to begin the application process and save information as they proceed through each section.

Frequently Asked Questions

Can I request a hard copy of the grant application form?

To streamline our application process, our application forms are submitted online. If you do not have access to the internet, please visit a local library, Job Centre or seek assistance from family or friends.

When are the deadline dates?

Applications will open for our Centre Learning Grant fund on 9th May 2022 and close on 9th June 2022.

Do you support core funding / What do you mean by core funding?

No. Our grants cannot be used for everyday running costs that organisations face such as, salaries of key people, administrative costs and general running costs of organisations.

Can I use the grant to pay for OCN NI accreditation fees?

No.

Can I use the grant to support learners studying with another awarding organisation?

No. Funding **MUST** be used to benefit learners undertaking and/or working towards an OCN NI Qualification.

Can I submit multiple grant applications to OCN NI in same year?

As this is the first year OCN NI will be awarding grants, we will only accept one grant application per organisation per year. We encourage applicants to prioritise their needs and submit one application only. OCN NI will review this approach on an annual basis.

Who makes the final decision about whether I receive a grant?

The OCN NI grants panel has the final say on the amount of funding available for grants and who receives grants.

How long before we hear of the decision?

The grant panel meets during June and July and all applicants will be notified of the outcome by the end of July.

Will we get the full amount we have requested?

Not everyone who receives a grant from us will get the full amount they have requested. Each application will be considered on its own merit.

Do you match fund?

We are happy to consider applications which ask us to contribute, as one of a number of funders to a project.

What happens if we receive the funding from another source, for the same purpose?

You may withdraw your application and re-submit for another project. You may even be able to re-profile the grant awarded in certain circumstances.

Can our organisation apply if we are currently applying to become a Recognised OCN NI Centre?

No. OCN NI Centre Learning grants are only available to existing recognised centres that have registered learners onto our qualifications with the past 12 months.

What documents do we need to send in with the completed application form?

In order to support our decision-making process we ask that you attach your Governing Document (or equivalent), Public Liability Insurance and Safeguarding Policy.

Will someone come and visit us?

Ideally, we would like to visit as many projects as possible as it is one of the most enjoyable aspects of our work. We may make visits during the assessment process, at the evaluation stage and at the end of a grant. Occasionally a representative of OCN NI may present certificates to successful applicants.

Should we send in other additional information such as business plans or estimates for equipment and furniture?

Should any additional information be required, OCN NI will request this, therefore please do not submit any additional information until requested to do so.

What will you ask for if our organisation receives a grant?

All organisations that receive a grant are asked to comply with the Terms and Conditions as laid down by OCN NI. This electronic document must be e-signed by the Chief Executive of the organisation. Upon receipt of signed Terms and Conditions the grant will be released. Along with the Terms and Conditions we ask that you return a copy of your most recent bank statement or a blank lodging in slip to confirm account details. We will also ask you to complete an evaluation feedback form on how your project has progressed within 12 months of receiving a grant. Again, we are able to offer support with completing this.

If my application is unsuccessful, will I be told why?

If your application is unsuccessful, an e-mail will be sent to you informing you of our decision. The most frequent reason for decline is that demand for support always exceeds funds available. The decision of the OCN NI grants panel is final and applicants will have no right of appeal.

Can the grant be used to retrospectively cover the cost of items/activities associated with OCN NI learning programmes?

We cannot retrospectively pay you for any associated items/activities you have already paid for before you are awarded a grant.

Will my information be shared with anyone?

Your personal information is strictly confidential and will only be used to contact you about the outcome of your application, including relevant subsequent communication if you are awarded a grant. OCN NI will however, publish details of successful applicants. In addition, details of your project will be used for marketing and promotional purposes.
