Foreword

This document explains OCN NI's requirements for the delivery and assessment of the following qualification:

OCN NI Level 2 Certificate in Essential Skills – Digital ICT

This specification sets out:

- Centre requirements for delivering and assessing the qualification
- The structure and content of the qualification
- Assessment requirements for the qualification
- OCN NI's quality assurance arrangements for the qualification

OCN NI will notify centres in writing of any major changes to this specification. We will also publish changes on our website at www.ocnni.org.uk

This specification is provided online, so the version available on our website is the most up to date publication. It is important to note that copies of the specification that have been downloaded and printed may be different from this authoritative online version.

Introduction

Background

The Department of Economy currently funds the delivery and assessment of the suite of Essential Skills qualifications developed in response to the Essential Skills for Living Strategy 2002. This suite of qualifications consists of Essential Skills Entry Levels 1-3 in Literacy and Numeracy and Level 1 and Level 2 in Communication, Application of Number and ICT.

Essential Skills Level 1 and Level 2 in Communication and Application of Number were refreshed and assessments updated in 2016.

The OCN NI suite of Essential Skills – Digital ICT qualifications are based upon the refreshed Essential Skills Core Curriculum and Standards for ICT in Northern Ireland 2023. A copy of these standards are provided in [Appendix 1](#).

Qualification Summary

OCN NI Level 2 Certificate in Essential Skills – Digital ICT

Qualification Aim

The aim of the OCN NI Level 1 Certificate in Essential Skills – Digital ICT qualification is to provide learners with an opportunity to:

- create evidence relevant to real life and the workplace
- assess skills, knowledge, and application in relation to various contexts
- progress to further education, learning and development of skills or for progression to employment

Qualification Objectives

The objective of the OCN NI Level 2 Certificate in Essential Skills – Digital ICT qualification includes the following five skills areas:

- advanced communicating
- document creating and editing
- number handling
- digital marketing and social media
- advanced graphics

Grading

The qualification is pass/fail and is made up of both a portfolio of evidence and an underpinning knowledge assessment task. Combined pass mark is 70%.

Progression Opportunities

The OCN NI Level 2 Certificate in Essential Skills – Digital ICT enables progression to employment or further education.

Qualification Target Group

The OCN NI Level 2 Certificate in Essential Skills – Digital ICT builds upon the OCN NI Level 1 Certificate in Essential Skills – Digital Skills and has been designed for learners with competence in using digital devices, services and the internet who wish to advance their skills for further progression to employment or further education.

Entry Requirements

Learners should be at least 14 years of age and have achieved a Level 1 ICT qualification.

Delivery Languages

This qualification is available in English only.

Not operational until Sept 2025!

Centre Requirements for Delivering the Qualification

Centre Recognition and Qualification Approval

Existing OCN NI Recognised centres must apply for and be granted approval to deliver the qualification prior to the commencement of delivery. New centres must apply and be granted OCN NI Recognised Centre status and qualification approval prior to delivery of the qualification.

Centre Staffing

Centres are required to have the following roles in place as a minimum, although a member of staff may hold more than one role*:

- Centre contact
- Essential Skills Co-ordinator
- Tutor
- Assessor
- Internal quality assurer

*Note: A person cannot be an internal quality assurer for their own assessments.

Qualifications Requirements for Teaching Essential Skills

Centres must ensure that staff delivering and assessing the qualification are both qualified and experienced to teach Essential Skills ICT in Northern Ireland and meet the current criteria outlined in the Department for the Economy circular ES01/12.

Structure and Content

OCN NI Level 2 Certificate in Essential Skills – Digital ICT

At this level learners should:

- be able to build on competence required at level 1
- be confident in applying digital skills independently to develop solutions
- be able to use advanced digital skills efficiently to meet needs
- exchange information and solve problems

How the qualification is achieved:

In order to achieve the Level 2 Certificate in Essential Skills – Digital ICT learners **MUST** achieve **both core skills standards A and B**, plus any other two optional skills standards. Please note learners who have successfully achieved the OCN NI Level 1 Certificate in Essential Skills – Digital ICT are exempt from completing core skills standard A.

Learners will be required to provide a portfolio of evidence for both core skills standard A and B and the selected two optional skills standards. Learners must also successfully pass an underpinning knowledge assessment task which will be externally set by OCN NI and internally marked.

This qualification is assessed holistically. Assessment is compensatory so a weakness in one area can be compensated by strong performance in other areas.

The overall pass mark for both elements has been set by CCEA Regulation at 70%.

- **Core Skills Standard A:** Underpinning Skills – Please note the following:
 - if a learner has achieved the OCN NI Level 1 Certificate in Essential Skills – Digital ICT they will be exempt from this skills standard.
 - If a learner has not achieved the OCN NI Level 1 Certificate in Essential Skills – Digital ICT they will be required to complete the following skills standards within **core skills standard A** listed below:

Skills Standard	OCN NI Code	Skills Standard	Level
L/651/1711	CBG610	Using Devices and Handling Information	One

T/651/1714	CBG613	Transacting	One
Y/651/1715	CBG614	Being Safe and Responsible Online	One

- **Core Skills Standard B:** Advanced Communicating
- **Two skills standards from the following optional skills standards:**
 - Advanced document creating and editing Information
 - Advanced number handling
 - Understanding digital marketing and social media
 - Advanced graphics

Assessment

OCN NI will provide the centre with:

- a portfolio template and mark scheme
- an underpinning knowledge assessment task and mark scheme

The tasks are intended to be taken by a learner in a normal learning environment and there is no time limit.

Detailed guidelines for the use of the task are contained in the OCN NI support materials. However, the following points should be noted:

- it is the assessor's responsibility to ensure the external underpinning knowledge task is at the appropriate level for the learner
- the assessment task is undertaken within the learner's normal learning environment, which must be supervised
- the task is taken unseen by the learner - these assessments are confidential materials
- if a task is taken across more than one session the tutor must ensure that all materials associated with the assessment task are brought in at the end of each session and stored in a secure place until required again
- the learner completes the work unaided except for any assistance allowed for in the tutor guide
- the assessment task is marked by the tutor according to the mark scheme
- the task must be fully achieved in order to meet the requirement for the achievement of the qualification
- all work submitted will be subject to centre internal quality assurance to external quality assurance by OCN NI

Retention of Evidence

OCN NI has published guidance for centres on the retention of evidence. Details are provided in the OCN NI Centre Handbook and can be accessed via the OCN NI website.

Certification

Certificates will ONLY be issued once all skills standard have been successfully completed.

Certificates will be sent to centres within 20 working days of receipt of correctly completed results marksheets. It is the responsibility of the centre to ensure that certificates received from OCN NI are held securely and distributed to learners promptly and securely.

Charges

OCN NI publishes all up to date qualification fees in its Fees and Invoicing Policy document. Further information can be found on the OCN NI website.

Not operational until Sept 2025!

Quality Assurance of Centre Performance

Certification and Reporting

Where a learner's performance is sufficient to meet the level requirements, an Essential Skills qualification pass certificate is awarded. No grades are issued for these qualifications.

Internal Quality Assurance

The delivery and assessment of the qualification must be scrutinised through the centre's internal quality assurance processes as part of the Recognised Centre agreement with OCN NI. The centre must appoint an experienced and trained centre internal quality assurer whose responsibility is to act as the internal quality monitor for the verification of the delivery and assessment of the qualification. The Centre must agree a working model for internal quality assurance with OCN NI prior to delivery of any programme.

Internal Quality Assurers must:

- have direct or related relevant experience in assessment and verification
- attend OCN NI's internal quality assurer training in order to be approved by OCN NI
- support tutors and assessors through Centre standardisation meetings held within the Centre at appropriate points in the year and maintain records for the external quality assurer
- sample assessments according to the centre's sampling strategy
- ensure tasks are appropriate to the level being assessed
- maintain up-to-date records supporting the verification of assessment and learner achievement

External Quality Assurance

External quality assurance visits and monitoring activities will be conducted annually to confirm continued compliance with the CCEA Regulation General Conditions of Recognition, review the centre's risk rating for the qualification and to assure OCN NI of the maintenance of the integrity of the qualification.

The External Quality Assurer will review the delivery and assessment of the qualification. This will include the review of a sample of assessment evidence and evidence of the internal quality assurance of assessment and assessment decisions. This will form the basis of the EQA report and will inform OCN NI's annual assessment of centre compliance and risk. The External quality assurer is appointed by OCN NI.

Standardisation

As a process, standardisation is designed to ensure consistency and promote good practice in understanding and application of standards. Standardisation events:

- make qualified statements about the level of consistency in assessment across centres delivering a qualification
- make statements on the standard of evidence that is required to meet the assessment criteria for skills standard in a qualification
- make recommendations on assessment practice
- produce advice and guidance for the assessment of skills standard
- identify good practice in assessment and internal quality assurance

Centres offering Essential Skills qualifications are required to attend standardisation events if requested. Centres will be requested to contribute assessment materials and learner evidence for the standardisation event.

Awarding Bodies offering Essential Skills in Northern Ireland work closely with CCEA Regulation to ensure the consistency of standards and practice.

Not operational until Sept 2025!

OCN NI Support for Essential Skills

OCN NI provides the following support for Essential Skills:

- exemplar assessment and support materials
- a section on the OCN NI website dedicated to Essential Skills
- advice on the conduct and administration of Essential Skills
- professional development events for assessors and internal quality assurers
- centre briefings/visits
- support on becoming an accredited centre for Essential Skills
- standardisation events

For further information about Essential Skills support contact OCN NI on 028 9046 3990.

Equality, Fairness and Inclusion
